

Dear Madam/Sir,

This letter is to express my interest in the job posting on your website for an experienced, detail-oriented, application developer. You'll see from my profile that I am a skilled and efficient JavaScript Developer with 4 years of experience creating unique and modern applications. I am dedicated to improving my skills and increasing my knowledge and experience.

The skills I possess include advanced knowledge of HTML, CSS, JavaScript, strong customer service skills, and an extensive knowledge of JavaScript frameworks and libraries like ReactJs, Redux, NodeJs, MoleculerJs, Express, AngularJS, and VueJS. In addition to my 4 years of experience, I have a Bachelor degree in Computer Science and I am capable of developing and maintaining JavaScript consumer facing applications in an Agile environment, REST APIs in NodeJs for Angular, VueJs and ReactJs front-end, efficient, maintainable and reusable code prioritizing privacy and security.

My hands-on experience, qualifications and proficiency make me an excellent candidate for the Developer position at your firm.

You can reach me at any time by phone, +91-7012995640, or email, sujeshshivan@gmail.com. Thanks for taking the time to read this. I look forward to talking with you about this position.

Best regards,
