November 9, 2020

Dear Hiring Manager,

This letter is to express my interest in the job posted on your website for an experienced, detailed-oriented, Software Engineering Position.

As you'll see I am a Skilled and efficient JavaScript Developer having two years of experience on creating unique and modern applications. Extremely motivated to constantly develop my skills and grow professionally.

I have advanced proficiencies in HTML, CSS, JavaScript, excellent customer service skills and am familiar with postgres SQL and MongoDB(NoSQL). I also have a solid foundation in ReactJs, NodeJs, MoleculerJs, Express,AngularJS, and VueJS. and also I can develop and maintain JavaScript consumer facing applications in an Agile environment, REST APIs in NodeJs for Angular, VueJs and ReactJs front-end, efficient, maintainable and reusable code prioritising privacy and security. In addition to two years work experience, I hold a Bachelor degree in Computer Science.

I am confident that you will find my hands-on experience; qualifications and proficiencies make me an excellent candidate for the Software Engineer position at your firm.

I can be reached anytime via my cell phone, **+91-7012995640** or by email at **sujeshshivan@gmail.com**.

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Best regards,
Sujesh Shivan P
